Hi

Yes it will definitely be possible to visit the boat. We are re-starting trials next week and are looking at possible dates for your visit. The dates are not yet fixed as it depends on the farms and the weather. It is looking likely that a date in the week of the 20th May might work but this is not yet confirmed. I will let you know definite dates as soon as I have them but they may be at quiet short notice unfortunately. I am currently looking into maximum numbers and will get back to you asap. I am hoping we can accommodate 2 people each from SEPA, MS and VMD but I need to confirm this. We will be limited by safety issues etc.

Kind Regards

Animal Health Division

Hi

Thanks for your time a couple of weeks ago. On reflection given your proposals are likely to involve commissioning a new or repurposing an existing vessel, it is important that we have the opportunity to feed in to or comment on any designs (particularly in reference to any potential process controls). As raised at the meeting our current understanding of the treatment and transfer process of your operations in Norway is fairly limited, for us to provide appropriate input we really need to have a clear understanding of the existing process. I think a visit to the existing vessel whilst operational would really help us develop that understanding. This would then allow us to highlight any areas of concern early so that they could potentially be addressed/mitigated as part of the design process.

I know there was an action from the meeting, but it would be good to know if that is going to be possible and if so, when and what limit there might be in numbers?

Kind regards

Hi

This will be fine for us. I will let _____ know. I would suggest we set up a teleconference with _____ myself and you
t a later date to talk specifically about the ERA assessment.

Kind Regards

Dear All

Thank you for completing the doodle poll, apologies that this date and time may not suit everyone, but as always it has proved difficult to find a slot. A number of us will be attending another meeting that day in Stirling on Thursday the 11th and so this looked like the best option. However to allow attendance at both we were hoping that you would be open to holding the meeting in Stirling. I have booked a meeting room at our SEPA Stirling Office, Strathallan House Castle Business Park Stirling FK9 4TZ. Parking is available at the Castlevue Park and Ride a 5 minute walk from the office. The office is linked to the Stirling Rail Station via the Park and Ride Bus <https://my.stirling.gov.uk/roads-transport-streets/parking-car-parks/park-ride/>.

Apologies but if you forwarded the invite to colleagues I don't have their email addresses so please pass this information along. Please confirm your attendance ideally by return. Should attendance in person not be possible we would be able to provide teleconferencing with live document sharing facilities.

Regards
