### Spanish Inquisition of Scottish Salmon

- Telecinco in Spain exposes Mowi's deadly 'hand reared' Wester Ross Salmon
- 'Zombie' video footage lifts the lid on welfare abuse at RSPCA Assured salmon farms
- How the Norwegian giant bit the artisanal hand & boutique brand that fed it!
- Mowi-owned Wester Ross should be renamed Wester Gross!

Prime time Spanish TV news lifted the lid on RSPCA Assured Scottish salmon last night in a devastating critique – Telecinco's 'TardeAR' [reported \(6 May 2024\)](#):

## Las terroríficas granjas marinas de Escocia con salmones "zombis" que alimentan a los españoles

Spanish TV's [news report](#) exposed the use of automated feeding machines and feeding cameras at Mowi's Wester Ross Salmon farm at Ardmair – an RSPCA Assured site [still marketed by Wester Ross Salmon as 'hand reared'](#) and advertised as [“nurtured by hand not machines” by Wheeler Seafood in the United States](#):

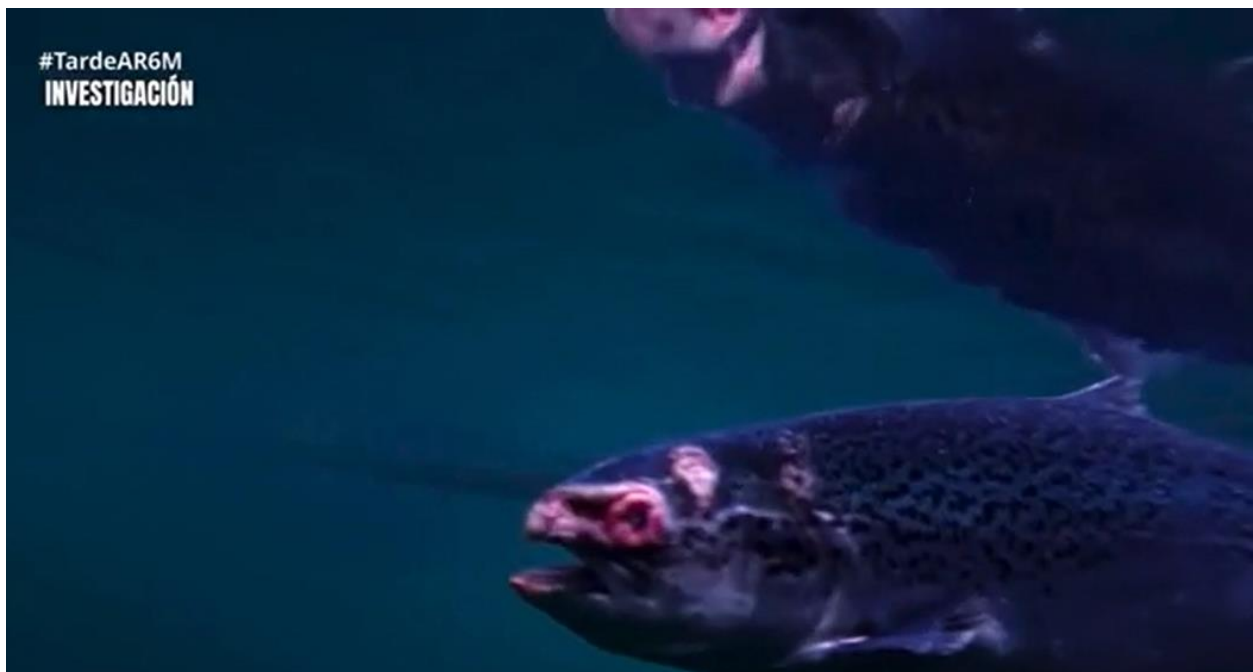

Spanish TV [visited Ullapool Smokehouse](#) (15 April 2024) and were told that Wester Ross Salmon was exclusively hand reared with no machines or automation:

Telecinco's 'TardeAR' aired two other shorter clips – [online here](#) and [online here](#) - previewing their Scottish investigation: “Zombie Salmon: from the horror farm to the plate”:
