Good Afternoon

I would like to report a seal cull (Site Co-ordinates - 56.5087 N 5.5412 W) on 05/05/2020. No photos have been taken during this execution.

1 Common seal was culled using a single shot to the head by a licenced marksman – this has been reported to Marine Scotland and RSPCA.

If you have any questions please don't hesitate to contact me.

**Best Regards**
